25X1 7. [] Made an appointment to meet with
Mrs. Harman, Assistant to Representative Gale Schisler (D., Ill.), when
she returns to the office tomorrow concerning the Congressman's transmittal
of October 8 relating to correspondence received from [] 25X1

25X1 [] 25X1

25X1 9. [] Met briefly with Col. Glenn Smith,
Senate Preparedness Investigation Subcommittee, who requested for Miss
Dorothy Fosdick of Senator Jackson's staff a copy of the September paper
on Soviet economic growth which had been provided the Joint Economic
Committee. Advised Col. Smith that I would drop a copy off to her tomorrow
morning.

25X1 10. [] Met with Mr. William Gulledge,
Senate Post Office and Civil Service Committee, with regard to certain
points of legislation pending before the Committee. Mr. Gulledge advised
that the Committee has not yet met in executive session on the pay bill
but plans to do so tomorrow. Previous meetings on this subject were
canceled. Mr. Gulledge noted, in passing, that he expects that the bill
relating to retirement annuity increases would receive favorable action as
well as the bill providing mailing privileges for military forces.

25X1 11. [] In response to his request, I provided Jay Sourwine,
Senate Internal Security Subcommittee staff, the scant information which we
had on [] indicating that he had been observed on several
occasions in the midst of Dominican rebel groups and there appeared to be
little doubt that he had associated himself with them. I also left with Sourwine
several maps of the Dominican Republic and one of Santo Domingo. With
respect to the latter, I informed him that at the request of the Army Map
Service, utilization of this map was limited to Official Use Only.
